

SE REGION 4-H FALL VOLUNTEER LEADER AND OFFICER TRAINING

FALL VOLUNTEER TRAINING

Let's grow 4-H! But how can we bring in new youth and keep current 4-H'ers? One of the most important factors for young people staying in 4-H is if they feel like they belong. The 2017 Fall Volunteer Training will focus on exploring our roots and resources for strengthening a sense of belonging in 4-H.

Participants will be asked to think about their club/group and how they get members excited and involved in club work and activities, as well as ensuring that when new members and families come to us we can meet their needs – that they feel like they belong.

You will leave this training with:

- Tools to create an environment of belonging in our 4-H groups.
- Ideas from other volunteers on what works for them.
- A plan to recruit, engage and support new members and families.

YOUTH OFFICER TRAINING

We will also be providing youth officer training on two dates for Club and Federation Officers. The classes provided will be President/Vice President, Secretary, Treasurer, and Historian/Reporter/Member at Large.
