This scholarship has been established to assist youth who have been involved in the Washington County 4-H program and who have shown an interest in pursuing a collegiate degree in the areas of science and engineering.

Scholarship awards will be to individuals who will be entering a college or university to pursue a bachelor's degree in the area of science or engineering.

Selection will be made by a committee of 3 members consisting of a Washington County Extension Service staff member and two members of the Washington County STEM committee.

Gifts to this scholarship may be sent to:

**Washington County 4-H**  
**14949 62nd St N**  
**Stillwater, MN 55082**

## Science and Engineering Scholarship

Initiated in 2012 to provide assistance to eligible 4-H youth in the pursuit of a degree in Science or Engineering.
