Do you like to draw, sketch, paint or to do graphic design?

If so we want you to design the 2016 Auction Plaque!

Every year buyers from the 4-H auction receive a plaque with a picture of the youth with their animal. You have the opportunity to create this plaque design.

The plaque design will be a 6” x 8” rectangle. The bottom half of the rectangle will have a spot for the photo to be placed. Your design can take up that space for when there is no photo, but I would recommend that the focus of the design be on the top half to be displayed when the photo is included.

The following text is required to be on the plaque design:

• 2016
• Benton County 4-H
• Thank you for supporting the Benton County 4-H Auction.

PLEASE SUBMIT YOUR DESIGN BY APRIL 18, 2016 TO BE CONSIDERED FOR THE 2016 PLAQUE DESIGN. THE WINNER WILL HAVE THEIR DESIGN PRINTED ON THE PLAQUE FOR THE YEAR AND WILL ALSO RECEIVE A $100 CASH PRIZE.

Designs will be judged on:

• Design creativity & originality
• Appropriateness for purpose of plaque
• Overall appearance & neatness

Please submit your design to the Benton County Extension office, P.O. Box 650, Foley, MN 56329 or hjanders@umn.edu.
