Dear 4-H families and volunteers,

It is fair season again, and I know many of you are preparing to participate in 4-H at your county fairs this summer. I know you, like I, enjoy seeing the wonderful accomplishments of our youth.

For the third year, we will be live-streaming some of our 4-H events at the Minnesota State Fair. Our goal is to provide a way for 4-H families and friends who are unable to come to the fair to see some of the 4-H fun from home. The livestream is provided on the internet, so you can watch from computers, laptops, smart phones or any mobile device with internet service.

We're live-streaming three 4-H events at the fair this year: the 4-H Lama Costume Competition, 4-H Dairy and Market Goat Show and the 4-H Performing Arts.

The 2015 4-H at the Minnesota State Fair live-streaming schedule is:

- **August 28**, 8am-2pm: 4-H Dairy Goat Show
- **September 2**, 6-7pm: 4-H Lama Costume Competition
- **August 26 – September 7**, 9am-9pm: 4-H Performing Arts in the 4-H Building

Watch the shows live [here](#).

A recording will be available on the 4-H State Arts-In, llama, and goat project pages of the Minnesota 4-H web site after the fair.

I hope those of you who can’t join us in person enjoy seeing some of our wonderful 4-H’ers who are sharing their learning and accomplishments at the Minnesota State Fair this year.

Sincerely,

Dorothy M. Freeman
Associate Dean and State 4-H Director
East Otter Tail

Thank You
Thank you to all the 4-H volunteers - youth and adults - who play such an important role in the lives of our young people. The time, talents and resources given make the 4-H program in EOT a quality experience for 4-H youth and families.

Congratulations
To all the 4-Hers for their project work efforts. The process of project work develops important life skills. The county fair conference judging is a
huge part of that learning. Ribbon placing is a bonus, the State Fair trip is another learning opportunity. The premium money will be spent, but the learning is for life. Youth are encouraged to take some time to reflect on your 4-H year and set new goals for next year. One way you can do this is through your 4-H records and 4-H story.

The youth of East Otter Tail County will be exhibiting their projects at the State Fair from September 3-5. Families are encouraged to support these youth at the State Fair if you are able.

**4-H chaperones and the Minnesota State Fair**

In the Minnesota 4-H program the state fair is recognized as the grand finale of the summer. Each year “The Great Minnesota Get-Together” provides over 6,500 4-H members with the opportunity to showcase their projects at the state level. This would not be possible without 4-H chaperones. Serving as a 4-H chaperone is an important responsibility. Prior to chaperoning any 4-H program, including the state fair, training is required. The training modules cover roles, expectations and best practices to help ensure youth have a quality educational experience. Serving as chaperones provides a valuable service and enables caring adults the opportunity to positively shape the life experiences of many young people.

The online training, 4-H chaperone policies: A guide for 4-H adult chaperones, found online. It offers valuable information to help ensure a safe and enjoyable experience for the youth and the adult chaperones.

**4-H Volunteer Training 24/7**

4-H has a comprehensive and multi-format system of training and support for the thousands of volunteers who deliver 4-H youth development programs to young people across the state. Much of that training is provided face-to-face. But we know that providing some training opportunities online will help our volunteers more easily access the training and resources they need, when they need it. Minnesota 4-H offers a series of dynamic, interactive 30-minute online training modules to help volunteers build their skills and knowledge from home at any time of the day or night. Check out current online volunteer training topics:
• Creating a welcoming, engaging and encouraging environment for youth
• The 4-H learning environment
• 4-H project leaders: Where the action starts!
• Managing 4-H clubs: A guide for 4-H club leaders
• 4-H financial management
• Ensuring a safe 4-H environment
• Chaperone training
• Keeping youth in 4-H

Training modules for individual viewing can be accessed through any adult volunteer account on 4-H Online. A detailed user guide is available online. We’re striving for 25% of Minnesota 4-H volunteers to complete at least one online volunteer training module by September 30. Which one will you try?

Reward yourself! For each module you complete, your name will be put in a regional drawing for a 4-H Mall gift certificate. Four names will be drawn on October 1. Congratulations to our latest winners: Marcy Holl (Douglas County), Julie Leitch (West Otter Tail County), Kathryn Hill (Hubbard County) and Jennifer Floding (Douglas County).
