Youth That Have Graduated

Please let the extension office know if 2014-2015 was your last year. We would like to acknowledge you at the Recognition Banquet. Please let the Office know by November 1st.
2015 Recognition Banquet

It is once again that time of year when the 4-H members of McLeod County come together to celebrate their accomplishments this past year. This year’s 4-H Recognition Banquet will be held on FRIDAY, NOVEMBER 20th at Christ the King Church in Hutchinson. The meal begins promptly at 6:30 p.m. with the awards program to follow at approximately 7:00 p.m. This year's host club is the Bear Lake Beavers and Winsted Jolly Juniors are the assisting club. Watch the mail for your formal invitation.

Attention Clubs

We are once again asking each 4-H club to donate one door prize for the Recognition Banquet. You could do a gift basket of some sort, a gift certificate, a club shirt or donate the services of 4-H members in your club. Use your imagination and please do not spend more than $25 on your door prize(s). Bring them the night of the banquet labeled with your club name. Please call Kim at the Extension Office if you have any questions. (320) 484-4339

Online Enrollment for 4-H Families

Enrollment for the new 4-H year opened up on September 16 and Minnesota 4-H families are reminded and encouraged to visit mn.4HOnline.com to enroll/re-enroll both youth members and adult volunteers. The process is quick and easy; even families with multiple youth should be done in 10 minutes or less. Reenrolling early ensures that critical communications will be received, especially as it relates to deadlines and project specific information. Detailed information about online enrollment and re-enrollment is available at www.4-H.umn.edu/4Honline. As part of enrolling or re-enrolling, youth, their parents and adult volunteers will all be agreeing to the Minnesota 4-H Code of Conduct, which is available for review in its entirety, along with other policy and authorization statements at www.4-H.umn.edu/policy or by contacting your local Extension office (www.extension.umn.edu/county/).

If you are not yet an adult volunteer but are willing to share your time and talents to make a difference, 4-H needs you! The first step to becoming an adult 4-H volunteer is to complete the volunteer application process. Learn more at www.4-H.umn.edu/volunteer/#application

2015 Fall Volunteer Training: All Together, Yet Not All the Same

We are excited to announce this year's topic for our annual fall volunteer training: cultural competency and inclusion. The training, titled “All Together, Yet Not All the Same,” is designed to help prepare 4-H volunteers to build youths' global citizenship skills and give them the tools needed to ensure that 4-H is a program where youth from all backgrounds, cultures, beliefs and abilities feel welcome and safe. It is our responsibility to young people to prepare them for global citizenship and to work constructively across areas of difference. As we strive in Minnesota 4-H Youth Development to make our programs relevant and accessible to all youth, we must consider areas where we might encounter different values, backgrounds, beliefs, abilities, and goals. By preparing adult volunteers who are essential to 4-H program delivery to be aware of and respectful of these differences, we will not only create an environment where all individuals feel safe and welcome, but also ensure that we model valuable 21st century global citizenship skills to youth that will prove critical now and in their future. Activities are designed to be hands-on and encourage active discussion. Participants will be given at least one activity to take back to their clubs as well as have access to the We Connect curriculum from their county library of available curricula. All 4-H volunteers are highly
encouraged to attend the annual training for their county. Activities are also appropriate for youth who are interested in this topic.

Meeker & McLeod County’s training will be:

Date: Thursday, November 5th
Time: 6:30 – 8:00 p.m.
Location: Family Services Center, Litchfield - Meeting Room 200

To register, contact the Meeker County Extension Office at 320-693-5275 (toll-free 1-877-993-5275) or email at mehuhn@umn.edu
