4-H
Campus Immersion Experience

July 25-28, 2016

YOUTH IN GRADES 6-10
Campus Immersion

Join us for a unique experience on the U of M campus for a 4-H overnight camp! You will get the chance to stay on the St. Paul campus in dorms and experience some of the campus. Enjoy a jam packed 4 days filled with fun challenges and exciting hands-on activities related to STEM and higher education. You will also have fun making new friends, hanging out with fellow peers on the campus and meeting professors and university students! Build and grow in leadership skills and get prepared for college.

Counselors lead program activities throughout the camp and create a friendly and welcoming environment for all.

The program will conclude Thursday evening with a family dinner and youth showcase starting at 6PM.

More information (re: transportation, camping lists and schedules) will be mailed following your registration.

There is no cost for this program

Registration is due May 30, 2016. Reminder emails and detailed information will sent to families throughout the summer.

If you have not completed a 4-H enrollment form or a University of Minnesota consent form, this must be done by June 25, 2016.

Questions? Joanna Tzenis at tzeni004@umn.edu or 612-625-9771

Campus Registration
