Message from Dorothy

Dear 4-H families and volunteers,

Due to the Minnesota Board of Animal Health’s ban on live birds at public events to help limit the spread of avian flu, 4-H had to adjust its 4-H Poultry Project events and activities at county and state fairs this summer. Our state poultry committee leapt into action, got creative and came up with plans that made it possible for our 4-H Poultry Project youth to participate in fairs this summer and share their learning.

One adjustment was to use photos of poultry or plush stuffed birds for showmanship judging, so youth would have something in place of their live birds to help facilitate their conversations with judges. We also gave youth an option to create and bring a poultry exhibit in the areas of biosecurity, animal health, nutrition, production, and careers, which gave them an opportunity to dig deeper and learn more about a specific topic related to the poultry industry. Some county fairs also offered a chicken BBQ contest, carcass judging and other poultry-related learning events. And at the Minnesota State Fair, we held a Science of Poultry ½ day learning event, where 4-H poultry youth could hear from a panel of experts from Jennie-O, Cargill, Rembrandt Enterprises, Minnesota Turkey, Midwest Poultry Federation, Minnesota Chicken and Egg, and Extension; work in roundtables with the experts learning about an issue; and apply their new knowledge by creating a poster on the topic and presenting it to the group.

Though some of our 4-H’ers were disappointed they could not bring the birds they spent months raising and caring for to fairs, they rose to the occasion and had wonderful learning experiences as a result.

I’d like to congratulate all of our 4-H poultry youth, and poultry families and volunteers for all
of your extra effort this summer, and making 4-H poultry experiences at the fair rich and rewarding!

Sincerely,

Dorothy M. Freeman
Associate dean and state 4-H director

**Minnesota 4-H club chartering process**

It is hard to believe it is time for clubs to renew their annual charter! The chartering documents are now up on the Minnesota 4-H website ([www.4-H.umn.edu/leading-a-club/](http://www.4-H.umn.edu/leading-a-club/)) and have a whole new face lift. The forms have been streamlined to make the process easier for clubs to complete.

New in 2015 is a club chartering training video that can also be found on the Minnesota 4-H website. This video is approximately 19 minutes in length and gives step by step directions on how to fill in each form, and the purpose of annual club chartering. Clubs/leaders can watch this video on their own, or the program coordinator can bring leaders together to watch the video as a group and answer questions.

**Remember all club charters must be in the county Extension office on or before Nov. 30, 2015.**

**Online enrollment for 4-H families**

Enrollment for the new 4-H year opens up on Sept. 16 and Minnesota 4-H families are reminded and encouraged to visit [mn.4HOnline.com](http://www.mn.4HOnline.com) to enroll/re-enroll both youth members and adult volunteers. The process is quick and easy; even families with multiple youth should be done in 10 minutes or less. Re-enrolling early ensures that critical communications will be received, especially as it relates to deadlines and project specific information. Detailed information about online enrollment and re-enrollment is available at [www.4-H.umn.edu/4honline](http://www.4-H.umn.edu/4honline).

As part of enrolling or re-enrolling, youth, their parents and adult volunteers will all be agreeing to the Minnesota 4-H Code of Conduct, which is available for review in its entirety, along with other policy and authorization statements at [www.4-H.umn.edu/policy](http://www.4-H.umn.edu/policy) or by contacting your local Extension office ([www.extension.umn.edu/county/](http://www.extension.umn.edu/county/)).

If you are not yet an adult volunteer but are willing to share your time and talents to make a difference, 4-H needs you! The first step to becoming an adult 4-H volunteer is to complete the volunteer application process. Learn more at [www.4-H.umn.edu/volunteer/#application](http://www.4-H.umn.edu/volunteer/#application).

**Celebrate Ag & Food Day**

4-H families and alumni are invited to join a celebration of Minnesota agriculture and food at a special University of Minnesota Gopher football game on **Sept. 19**. Discounted tickets can be purchased at [z.umn.edu/umafd2015](http://z.umn.edu/umafd2015). Join us before the game from 9 - 11a.m. for activities outside the stadium including a tailgate party.

Safety of Minors Training: A big thank you!

On behalf of the University of Minnesota Extension Center for Youth Development, please accept our sincere gratitude for your timely completion of the University-sponsored "Safety of Minors" training and compliance with the policy. Getting 7,000 adult volunteers through training in two months is no small task, but we are proud to share that we accomplished this task due to the timeliness and commitment of our volunteers and the diligence of our staff. We greatly appreciate your service to Minnesota 4-H and dedication to ensuring that all Minnesota youth are engaged in safe, fun, and positive experiential learning.

2015 Fall Volunteer Training: All Together, Yet Not All the Same

We are excited to announce this year's topic for our annual fall volunteer training: cultural competency and inclusion. The training, titled "All Together, Yet Not All the Same," is designed to help prepare 4-H volunteers to build youths' global citizenship skills and give them the tools needed to ensure that 4-H is a program where youth from all backgrounds, cultures, beliefs and abilities feel welcome and safe. It is our responsibility to young people to prepare them for global citizenship and to work constructively across areas of difference. As we strive in Minnesota 4-H Youth Development to make our programs relevant and accessible to all youth, we must consider areas where we might encounter different values, backgrounds, beliefs, abilities, and goals. By preparing adult volunteers who are essential to 4-H program delivery to be aware of and respectful of these differences, we will not only create an environment where all individuals feel safe and welcome, but also ensure that we model valuable 21st century global citizenship skills to youth that will prove critical now and in their future. Activities are designed to be hands-on and encourage active discussion. Participants will be given at least one activity to take back to their clubs as well as have access to the WeConnect curriculum from their county library of available curricula. All 4-H volunteers are encouraged to attend the annual training in their county. Activities are also appropriate for youth who are interested in this topic.

New online version of the Consumer Decision-Making Project

How do you decide which entrée to order? What shoes to buy? What vacation to plan? It's a tough job, but someone needs to make the decision! And pay the bills. The media, peer pressure, the need to fit in – all these factors play major roles in the decisions that youth make.

Minnesota 4-H is recruiting members interested in learning to make wise consumer decisions in a new online version of our Consumer Decision-Making Project. The online nature of this project means you can work review challenges, post your decisions and share with other youth from anywhere and at any time, through the convenience of your mobile device or home internet connection.

How does it work? Each week for up to 1 to 2 hours for a 12 week period, youth will learn about finances and consumerism, review a scenario, and compare products to make informed decisions. Youth post their decision process and decisions while also reflecting on their values and giving feedback to their peers. Volunteer mentors respond to questions and provide feedback.

If you are interested in learning more about this online opportunity in becoming savvy consumers and building financial intelligence, contact Carrie Olson (320-589-1711, olson166@umn.edu) today.

**SS&W Ambassador Program seeking applications for new Ambassadors!**

The Minnesota 4-H Shooting Sports & Wildlife Ambassador Program is a leadership opportunity for youth leaders, grades 9-13, to promote and enhance Minnesota 4-H shooting sports. Ambassadors positively represent the Minnesota 4-H Shooting Sports & Wildlife Program at state, regional, and local levels. Youth must be starting grade 9-13 in the fall and be able to attend the Oct. 3-4 training in Perham.

Program information, application, and reference forms can be found at: [4-H.umn.edu/projects/shooting-sports/shooting-sports/](http://4-H.umn.edu/projects/shooting-sports/shooting-sports/)

**Fall 2015 Shooting Sports & Wildlife Leader Certification Training**

The Minnesota 4-H Shooting Sports & Wildlife Program Development Committee invites you to attend a 4-H Shooting Sports & Wildlife Leader Certification! The committee recommends that leaders attend the entire certification weekend every five years. Now is your chance to attend!

The training is designed for adults and youth (grade nine and older) that lead or would like to lead training in shooting sports or wildlife. Classes will be offered in the disciplines of coordinator, archery, rifle/pistol, shotgun, muzzleloading, and wildlife. This training meets the 4-H project leaders’ requirements for certification and recertification. Although there is range time allocated in the schedule, the majority of the training is classroom work to become an effective instructor, not to practice your own shooting skills.

The training will take place **Oct. 3-4, 2015** at the Perham Middle School and Fort Thunder Gun Club in Perham.

Registration materials are available at [4-H.umn.edu/events/shooting-sports-certification/](http://4-H.umn.edu/events/shooting-sports-certification/).

The deadline to register is September 18, 2015. Disciplines fill quickly, so make sure registration forms are sent in early!

**Managing 4-H clubs: A guide for club leaders**

October marks the beginning of a new 4-H year and a new volunteer opportunity for individuals who are moving into a club leadership position. 4-H volunteers who are taking on club leadership responsibilities have several important roles. A leader is a mentor, a motivator for young people, an organizer and coordinator with other adults in the club, and a liaison with the larger 4-H organization in your area. An excellent training resource and online learning module for new and existing 4-H club leaders is **Managing 4-H Clubs: A guide for club leaders**. Extension staff designed this module to help with some of the typical management issues in 4-H clubs and bring all these pieces together to build an environment where young people thrive and grow. Take advantage of the resource to get your 4-H club off to a great start this fall. To view this training module and other 4-H online training opportunities visit [www.extension.umn.edu/youth/mn4-H/volunteer/online-training/](http://www.extension.umn.edu/youth/mn4-H/volunteer/online-training/)
