

# Olmsted County 4-H

## 2015 State Fair Results

Congratulations to all of the Olmsted County 4-Hers that participated at the State Fair this year. We had a great showing during the Livestock and General Encampments as well as the Rabbit, Dairy and General Livestock Judging Contests, and Livestock Interview Process!!! Just getting the chance to share all of your knowledge with others is a great accomplishment and we are all proud of your success at the State Fair. We hope everyone had a great time and will try again next year for the same, if not greater, level of success. Good Luck to all of our 4-Hers in the years to come!!!

This year, Olmsted County sent 128 4-Hers to the Minnesota State Fair this year. Those 4-Hers participated in a grand total of 157 different experiences this year!!!

Additional Results and Postings are available online from the Minnesota State Fair at:

-Here you will find detailed Results, 4-H Photos, and more!!!

\*\*Due to the size, extensive results, and various formats and media releases, we are just unable to fit every result and placing and award here (Rabbit Judging Contest, Dairy Judging Contest, Purple Ribbon Auction, etc) and remain a readable and organized listing

In the listing below, the following abbreviations are used:

**CH - Champion** (used only for livestock)

**RC - Reserve Champion** (used only for livestock)

**PR - Purple**

**Purple.** The exhibit meets all standards. The exhibitor has shown complete understanding of what, how, and why the exhibit was done, and has a thorough knowledge of the subject. The exhibit and workmanship are extraordinary and need no improvement.

**BL - Blue**

**Blue.** The exhibit meets most standards. The exhibitor can explain what, how, and why the exhibit was done and has a good knowledge of the subject. The exhibit is well organized and well done.

**RD - Red**

**Red.** The exhibit meets some standards. The exhibitor can somewhat explain what, how, and why the exhibit was done and has a fair knowledge of the subject. Some improvements may be needed on the exhibit.

**WH - White**

**White.** The exhibit meets few standards and lacks the quality of other exhibits. The exhibitor cannot adequately explain the what, how, and why of the exhibit. Possibly they have overlooked a safety flaw. Improvement is needed in either the exhibit, the knowledge of the subject, or both.

**PA - Participation**

**Participation.** A red/white/blue-striped ribbon is awarded for participation. Project areas that are awarded participation ribbons are not considered for blue, red, or white ribbons. They may or may not be considered for a purple ribbon.
