Don’t miss this chance to meet with Renee! The meeting will start at 7:30 p.m. in the Prairie Conference Room located at the Todd County Historic Courthouse.

Weather Alert!

Tis the season for weather related announcements! With the winter season finally here it is once again time shift gears and think about snow, sleet and wind chill. Communication of cancelled events is important to the safety of involved.

All clubs should have a severe weather plan. Cancellations of club activities should be made by the club leader and other adults within the club. Decisions regarding weather cancellations should be made in a timely manner to allow time for every club member to be contacted and hopefully avoid people venturing out in dangerous conditions.

Consider what form of communication works best in your club: e-mail, text or phone calls. Design a “phone tree” of who will contact who and follow through with the contact plan. For example, the club leader will make the first call on the list and the last call to guarantee that every member has been contacted. A general rule to follow: if local schools are cancelled or being released early, all 4-H events should be cancelled too. If temperatures drop to -20 or if the wind chill exceeds -40, the event may need to be cancelled. If severe weather is expected during the activity, please be aware of its approach and plan accordingly.

At county level events such as PDC’s or Council Meetings, the Program Coordinator will make the decision to cancel an event. News of a cancellation will be sent in email form and club leaders will be contacted via phone. Cancellations will also be announced on KEYL 1400 AM and KXDL 99.7 FM.

Executive and Council Meetings

The next Executive and Council Meetings are scheduled for **Monday, January 11.** The executive committee is scheduled to meet at 7:00 p.m. in the Prairie Conference Room. The Council Meeting will follow at 7:30 p.m. in the Commissioner’s Board Room. Both meetings will be held at the Todd County Historic Courthouse.

Project Fun Day

Fruit Sales

Time to get out and sell! The annual Todd County 4-H fruit sales will begin in the near future. Fruit sales not only help club budgets but individual members. Remember, each 4-H member/family who sells 240 pounds of fruit is eligible for full scholarship support. Todd County 4-H offers scholarships for many activities from camping opportunities to state fair participation. A full list of scholarships is available at the Extension office and will be available online soon. For the record, I'm a fan of beef and cheese sticks!

Message from Dorothy

Dear 4-H families and volunteers,

Happy New Year! 4-H is starting the New Year by celebrating 4-H alumni! Most of our 4-H parents and volunteers were 4-H members themselves, and are now carrying on the tradition of supporting 4-H by having their children participate, volunteering, and often times, both!

The Minnesota 4-H Foundation is holding a Minnesota 4-H alumni reunion on Saturday, February 6. Join us at the event to eat, visit, take a picture in the alumni photo booth, and participate in a service project benefitting Anna Marie’s Alliance & Salvation Army!

We hope this fun gathering provides an opportunity to gather together and celebrate all that we love about 4-H, and our fond memories and experiences in the program over the years.

Learn more and register for the event here: blog-mn4hgive.extension.umn.edu/2015/12/4-h-alumni-reunion.html

I hope to see you there!

Sincerely,

Dorothy M. Freeman
Associate Dean and State 4-H Director

Attention Dairy Families!

Four reminders Minnesota 4-H dairy project members will want to keep in mind for 2016:

1. All animals must be owned or leased AND identified (data entered into 4HOnline or an ID worksheet submitted to the Extension office) before the animal’s first freshening. If you want to ID a first calf heifer for the first time, please note this must be done BEFORE she calves.

2. All other IDs for dairy project animals must be completed by **May 15**. You will receive details from your county office.

3. All leased animals need a lease agreement re-signed/renewed each year. To renew leases, download last year’s lease agreement OR obtain a copy from the Extension office. Get the appropriate signatures to renew or update the agreement. Finally, scan and email the updated lease agreement to the Extension office OR take it to the Extension office. The deadline for this is **May 15**. Remember, all lease forms need to be completed and uploaded prior to the animal’s first freshening.

4. If your "family unit" includes someone who has graduated out of 4-H or is not enrolling in dairy this year AND ID’d in their name last year, you will want to reassign those animals to another family member. The exception is animals shown by this past dairy project member AFTER freshening. Those animals are not eligible to be shown by another 4-Her.

Complete details are available on the Dairy Information Sheet, which is posted at [www.4-H.umn.edu/animal-id](http://www.4-H.umn.edu/animal-id).
