Volunteer of the Year Award

Dear 4-H Family,

With every New Year comes a time for reflection and recognition. Each year at the Annual 4-H banquet, we take the time to recognize an adult volunteer who displays outstanding efforts to foster, organize and promote the 4-H program and positive youth development in Polk County and who has made a significant contribution through their volunteer efforts. Any person with knowledge of an individual's efforts may nominate that individual.

Name of Volunteer: _____

Club or Organization: _____

City: _____

Since the nominee will be evaluated solely on the information you provide, it is important to include a detailed narrative statement describing why your nominee should receive the volunteer of the year award. Please use the back of this sheet or additional sheets as necessary to make your statement. Be as detailed as possible.

Return application and all additional pages to:
