The Minnesota 4-H Shooting Sports & Wildlife Program is designed to promote life skills through a safe and educational program. Each discipline teaches safety, concentration, self-discipline, goal setting, decision making and courtesy as the young people learn basic skills and build toward more advanced activities. This program is lead by trained and certified 4-H leaders.

**Who can participate?**

- **Cloverbuds** can participate in the Wildlife Education only
- **Youth 3rd grade thru pre gun training** can participate in Archery, Air Rifle and Wildlife Education
- **Youth with their gun training certificate** can participate in .22 Rifles and Pistol, Shotgun, Archery, Air Rifle, and Wildlife Education

**What should I bring?**

You need to have your own hearing and eye protection. You may bring your own equipment, but it must be checked out by the 4-H instructor before firing it. We do have archery equipment, air rifles, and a shotgun for the youth to use.

**What will I be doing at the trainings?**

Develop and practice shooting skills, practice safety techniques and explore wildlife conservation. You will also learn more about all the shooting sports disciplines. Come, have fun and make new friends!
